

Presents

A Monte Carlo Night at Stimson

2018 Stimson Trophy Team Navigational Contest
September 14 -16, 2018

Please join us for a fun ***“Monte Carlo”*** weekend for a Predicted Log Navigation Contest and socializing.

Join your team to navigate around the Puget Sound. Arrive on Friday at the SYC Port Madison outstation. Kick off the weekend by socializing during Happy Hour. Beer/wine/soda/light appetizers provided, please bring an appetizer to share. Dinner at your own boat if you didn't fill up on appetizers.

Wake up on Saturday to a light breakfast that will be provided. Then compete in a Navigation Contest, with awards and dinner. Observers will be assigned to your boats to record your race times so please include them in your race day lunch. After crossing the finish line, return to SYC Port Madison and turn in your race results. Join everyone for hosted happy hour & dinner (SYC will host dinner for the Observers). After dinner the race results will be announced with individual and team awards given to those contestants closest to their predicted race times.

Top it off Sunday with a light breakfast before you head out!

Please join us by submitting your enclosed race registration form by September 8, 2018.
